This specialized curriculum consists of a comprehensive set of age-appropriate, outcome-based guidelines to provide the highest quality ballet training to dance students of all ages and skill levels. ABT® is an exam-based curriculum.</p> <p>Intellidance®: Intellidance® is a playful and creative approach to movement and music education in the early years. Our programs are based on current best practices and recommendations in early childhood development and education, coupled with child and caregiver-approved fun!</p> |  |   |   |                                      |   |  |          |          |  |
